Any person who knowingly presents false or fraudulent information to obtain or amend insurance coverage or to make a claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

Notice of information practices

The insured understands that to calculate an accurate price for their insurance, the Company may obtain information from third parties, such as consumer reporting agencies that provide driving, claims, insurance and credit histories. Information may also be obtained from the Federal Motor Carrier Safety Administration. The Company may use a credit-based insurance score based on the information contained in the credit history. The Company or its affiliates may obtain new or updated information to calculate the renewal premium or service the insurance. The insured may access information about them and correct it if inaccurate. In some cases, the law permits the Company to disclose the information it collects without authorization. However, the Company will not share personal information with nonaffiliated companies for their marketing purposes without consent. Complete details are in the Company's Privacy Policy, which will be provided with this insurance policy and upon request. The insured has or will obtain from existing and new drivers employed or contracted by the insured, an acknowledgement that their driving record information may be disclosed to the insured or their employer, contractor, agent, or broker in connection with the insurance being applied for hereunder. The insured agrees to submit to loss control inspections as often as the Company may reasonably require. The insured agrees that refusal to submit to an inspection is grounds for cancellation of this policy.

The insured authorizes release to the Company of the residence address and other information in any state Department of Motor Vehicle's records regarding any person named on this application and any person now or hereafter insured under this policy, and waive the provisions of Section 1808.21 of the California Vehicle Code to the extent it would prohibit the release of such information. The information will be used for insurance underwriting or rating, claims investigation and/or antifraud activities. This authorization and waiver will remain in effect throughout the term of the policy and any renewals thereof.

The insured affirms that

If the initial payment is made by electronic funds transfer, check, draft, or other remittance, the coverage afforded under this policy is conditioned on payment to the Company by the financial institution. If the transfer, check, draft, or other remittance is not honored by the financial institution, the Company shall be deemed not to have accepted the payment and this policy shall be void.

If the initial payment is made by credit card, the coverage afforded under this policy is conditioned on payment to the Company by the card issuer. The insured understands that if the Company is unable to collect my initial payment from the card issuer, the Company shall be deemed not to have accepted the payment and this policy shall be void. The insured also understands that if a credit card transaction is authorized for any payment other than the initial payment, this policy will be subject to cancellation for nonpayment of premium if the Company is unable to collect payment from the card issuer. The Company is deemed "unable to collect" in the following instances: (1) when the insured reaches the credit limit on the credit card and the card issuer refuses the charge; (2) when the card issuer cancels or revokes the credit card; or (3) when the card issuer does not pay the Company, for any reason whatsoever, upon the Company's request.

If the insured has an outstanding unpaid balance from a prior Progressive commercial lines policy, payment of that balance is required. Nonpayment of a prior unpaid balance may result in the denial, cancellation, or nonrenewal of this policy.

Other charges

The insured agrees to pay the installment fees shown on the billing statement that become due during the policy term and each renewal policy term in accordance with the payment plan they have selected. The insured understands that the amount of these fees may change upon policy renewal or if they change their payment plan. Any change in the amount of installment fees will be reflected on the payment schedule.

The insured understands that a service charge of \$20.00 will be assessed to the balance due on the policy if any check offered in payment is not honored by the bank or other financial institution. Imposition of such charge shall not deem the Company to have accepted the check unconditionally.

The insured agrees to pay a late fee of \$0.00 during the policy term and each renewal policy term when either the minimum amount due is not paid or payment is postmarked more than 0 days after the premium due date. The amount of this fee may change upon policy renewal.
