Subject: CA NUMBER EXPIRED - CAL TIGERZ INC

Hello Bhaji,

Your CA number has been expired.

The CA number provided is not on file with the CA DMV. If you confirm the provided CA number (**454943**) is correct, then the motor carrier has not applied for a permit. Permits are not granted by the California Highway Patrol when CA numbers are issued. Refile after the motor carrier applies for a permit from the CA DMV.
