Hi Sharry,

Attached is the renewal quote packet for **SG Carrier, Inc.** Direct Bill is available and pay plans are listed in the quote. This is a nice option to help the client avoid finance charges. Coverage enhancements include Northland Deluxe, Towing & Roadside Assistance for mechanical breakdown towing, roadside labor – see attached/in the quote for more details, Combined Deductible, and Northland’s very broad Premier Cargo.

If the insured uses telematics, there is a discount-please see attached. **Please allow a minimum of 5 business days** to connect for a revised quote once the insured has signed up online.

Renewal rate is up compared to last year; this is due to rate increased with Northland and increased mileage compared to last year’s information. We are blocked with IAT & Crum & Forster, but based on the account characteristics, Northland should be our most competitive option.

To bind:

- Currently valued loss runs 2023-2025
- Completed/signed application and selection/rejection forms

Please let me know if you have any questions, thank you!
