Binding Subjectivity:-

1. **Need information on why Timehouse went Conditional and went out of service:** - Timehouse was shut down in 2020. Company went conditional in 2015 and was operational til 2020. It's hard for us to find out what happened during that time. It was over 10 years ago when they got conditional and we are trying to find papers.

2. **Explanation for the number of cancellations for several years in a row :-** They had a problem with their old agent. They had no idea why their policy was cancelled time to time. As per the client they are always on time with payments and have had no other issues. We have had this policy for a year without any cancellation for any reason with Knight looking for similar performance on this account in the future.

Note: Please add UM at a limit of \$60,000 for an additional premium of \$690.00

Payment Status: Agency Billing – Account will be financed.

Thank you for your prompt attention to this request. Please let us know if you need any additional information.
