## SEEPAGE AND POLLUTION BUYBACK

In consideration of the additional premium paid and notwithstanding the Seepage and Pollution Exclusion Clause, that exclusion shall not apply provided that the Insured establishes that all of the following conditions have been met:

- A. The occurrence was accidental and was neither expected nor intended by the Insured. An accident/occurrence shall not be considered unintended or unexpected unless caused by a vehicular collision covered by the policy, neither expected or intended by the Insured; and
- B. The accident/occurrence is identified as first commencing following a vehicular collision covered by the policy at a specific time and date during the policy period; and completed in its entirety within Forty-Eight (48) hours of the beginning of the discharge, dispersal, release or escape of the pollutants; and;
- C. The accident/occurrence became known to the insured within 72 hours after its commencement and is reported to Underwriters within 90 days thereafter; and
- D. The accident/occurrence did not result from the Insured's intentional or willful violation of any government statute, rule or regulation, and

Provided that the Insured has met the above conditions, this insurance shall also cover the liability for the cost of removing, nullifying or cleaning-up seepage, pollution or contaminating substances in an amount not to exceed \$100,000 per occurrence and \$200,000 in the aggregate subject to a \$5,000 per occurrence deductible.

The pollution coverage afforded by this buy back endorsement is limited to the fuel, oil, or any other lubricating or operating fluids that are components required for the operation and use of a vehicle that is involved in a collision covered by the policy.

Nothing contained in this endorsement shall operate to provide any coverage with respect to;

- 1. Loss of, damage to or loss of use of property directly, or indirectly resulting from subsidence caused by subsurface operations of the Insured.
- 2. Fines, penalties, punitive damages, exemplary damages, or any other damages resulting from the multiplication of compensatory damages.
- 3. Any site or location used in whole or in part for the handling, processing, treatment, storage, disposal or dumping of any waste materials or substances.

Surplus Lines Tax: \$15 + Stamping Office Fee: \$0.90 = Grand Total (Inc. End't Premium): \$515.90

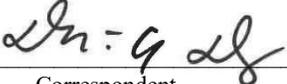

4. Any costs associated with testing or continued monitoring following completion of the initial removing, nullifying or cleaning up seepage, pollution or contaminated substances, including but not limited to any:
- (a) Request, demand or order that any insured or others test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of pollutants; or
  - (b) Claim or suit by or on behalf of a governmental authority for damages because of testing for, monitoring, cleaning up, removing, containing, treating, detoxifying or neutralizing, or in any way responding to, or assessing the effects of pollutants.
  - (c) Pollutants means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.
